

Reproduction GM Muscle Car Wiring Harnesses, Battery Cables & Switches

Buy with Confidence!

Made in the U.S.A.

All of our GM Muscle Car harnesses are hand assembled in the U.S.A. !

Guaranteed Fit

All of our harnesses are guaranteed to fit exactly as original.

Technical Support

We don't expect you to be a "wiring-wizard", free technical support is available Monday-Friday from 7:00am to 3:00pm PST.

Correct Color Wires

Our harnesses always match the original factory color codes and gauge sizes. We use U.S.A. made GXL cross-linked type wire which is much more resistant to heat than the original PVC type GPT wire that was used from the factory.

Dip Soldered (when applicable)

All terminals are dip soldered (when applicable) to limit resistance loss.

Correct Connectors & Terminals

With over 300,000 different connectors and terminals in stock you can be sure the harness you receive will look identical to the original.

Correct Non-Adhesive & Cloth Tape

All harnesses are wrapped with the correct width and style of tape to assure a 100% factory appearance.
